

Switch Play!

The Perfect Personal Music Companion for your iPod Nano!

Just push the power button and speakers automatically deploy from the sides of the case and your ready to share your favorite music and videos with your friends! The Switch Play for iPod Nano has surprisingly big sound for its size! No need for earphones or bulky docking speakers, just slip Switch Play in your pocket or purse and your ready to listen anywhere you go with the push of a button! The Switch Play also doubles as a protective case for your Nano! So if your looking for a portable speaker solution for your iPod Nano, there's no doubt, the Switch Play is the inPlay!

Rechargeable Battery for hours of play that won't drain your iPod Nano! Play time will vary depending on volume and usage!

Includes USB Charger that can also be used to charge your iPod Nano!
